

## 9.TechinoBuzz

“When you want to know how things really work, study them when they're coming apart.”

(William Gibson, Zero History)

Techino Buzz is a Technical poster presentation. This is the presentation of research information or an idea with an academic or professional focus on a poster. For any professional, communicating his/her idea efficiently determines his success professionally. The primary motive of this competition is to enhance the ability to deliver a visual presentation without any other audio/video aids. This event basically focuses on the creativity of the students. Here at Renaissance we provide you a platform to showcase your innovation, creativity, knowledge, and ability to tackle practical problems.
