

## 6. TECHNOPHILIA

This event is to develop research aptitude among engineering students. Future of education belongs to research. Students who want to pursue higher studies in india or abroad are very much inquisitive about developing research aptitude . Technophilia will provide them a solid platform to begin.

### General Rules-

- 1) The event consists of 2 rounds.
- 2) Students from all the branches can take part in the given event.

### Rules for Round 1

- 1) Teams will be given a research paper and they have to write the abstract and title for it.
- 2) Selected teams will proceed to round 3.
- 3) Based on the accuracy of title , meaningfulness of title and number of words used to write abstract and their effectiveness in explaining the research paper meaning.
- 4) Time period- (1.5hr)

### Rules for Round 3 –

- 1) Teams will be evaluated on their communication skills and understanding of the paper given in round 2.
- 2) 30 minutes time will be given to them to prepare the PPT.
- 3) Every team will have to present a 5-7 min PPT on paper given in round.

### Guidelines:

1. Presentations should be in .ppt or .pptx format.
2. For the presentations, a LCD projector, a computer, a mike and speakers will be provided.
3. The time for one presentation will be 5-7 minutes. One buzzer will be rung after 5 minutes to remind the participants about the time and final buzzer will be rung after 7 minutes.
4. Any extension in the allotted time will result in the loss of points.

**The papers will be judged on the basis of their innovation, in depth knowledge of the field and presentation skills. The decision of the judges will be final and binding.**

**Fees:** Rs. 200 per team (2 members in a team)

First prize :Rs.2500.

Second prize : Rs.1500

Date: 26-03-2017

Time: 9:30 AM – 2:30 PM

Venue: CAD LAB(ECE), B-BLOCK,GROUND FLOOR
