

4.Line Follower

For all those who have passion in Robotics or Sports, RENAISSANCE'18 presents Line follower. This competition is to show how good and swift robot of yours can be by following a line using it and scoring more points.

RULES:

1. The robot would be checked for their safety before the run and would be discarded if found unsafe for other participants and spectators.
2. Participants should not dismantle their robots before the completion of the whole competition as the robots might need to be verified by the judges at a later stage to ensure that the participants have not violated any of the rules.
3. Judges' decision shall be treated as final and binding on all.
4. The organizers reserve the right to change any or all of the above rules as they deem fit. Change in rules, if any, will be highlighted on the website and notified to the registered participants.

Guidelines:

1. Students from different colleges can form a team. A team may consist of at least 2 members and should not exceed more than 4 members.
2. The students must carry their valid student ID cards of their college which they will be required at the time of registration.
3. Teams should participate with wired or wireless robots. Only one team member can control the robot. Participants shall not be allowed to be a part of more than one team.
