THOUGHT BAZOOKAS

Electrical Department of Jaipur Engineering College and Research Centre organized an event THOUGHT BAZOOKAS to enhance and check the technical skills of the students. The event was successfully organized on 28th March 2018 from 9:30 AM to 12:30 PM under the guidance of Dr. Sandeep Vyas (Associate Professor and Head of the Department) and Mr. Manish Pal (Assistant Professor). The Department successfully fulfilled its dream of inculcating group dynamics, and employable skills through this fun event where students were judges on the basis of their general knowledge about various machineries and famous scientists and mathematicians of all times
